For Immediate Release

Highway 12-Jameson Canyon
Closures Overnight Friday-Traffic Switch In Napa County

NAPA AND SOLANO COUNTIES – Caltrans will switch traffic from the existing roadway to a temporary roadway alignment on Highway 12-Jameson Canyon between Napa and Solano Counties beginning Saturday, August 10th at 5 a.m. The traffic switch will require a full-highway closure of Highway 12-Jameson Canyon beginning Friday, August 9th at 11 p.m. until Saturday, August 10th at 5 a.m.

The work is part of the Highway 12 Jameson Canyon Widening Project in Napa and Solano Counties. The switch will occur in Napa County and require the movement of safety barriers and restriping of traffic lanes.

After this switch is completed, motorists will be driving on a temporary roadway configuration of Highway 12 just west of the Solano-Napa county line. Motorists are advised to watch for changes in the roadway near Highway 12 and Lynch Road and Highway 12 and Kelly Road. Additional message signs will alert motorists. The switch will allow crews to continue roadway construction. The entire six-mile widening project is scheduled to be completed in mid-late 2014. All work is weather permitting.

Full Overnight Highway Closures
To ensure worker and public safety, eastbound and westbound Highway 12 between Highway 29 and Red Top Road is scheduled to be closed on Friday, August 9th
at 11 p.m. until Saturday, August 10th at 5 a.m.

Highway 12-Jameson Canyon Detour
During the overnight highway closure, eastbound Highway 12 motorists are advised to use southbound Highway 29 to eastbound Highway 37 to eastbound Interstate 80. Westbound Highway 12 motorists should use westbound Interstate 80 to westbound Highway 37 to northbound Highway 29. Local access is available for Jameson Canyon residents and emergency vehicles only.
